### Early Termination Fees

All our packages are subject to a minimum term. If your service is cancelled within this period, you will be charged an Early Termination Fee. This will be based on your package and the number of months that are left to run on your contract. To calculate a cancellation fee you will need to take the appropriate values from both below grids, add them together then multiply by the number of months remaining on your contract. If you are a broadband customer, remember to check the Equipment Fees section below to understand whether additional charges are applicable to you.

For the calls and line element of your package, the charge for terminating your contract early would be:

<b>Name of your package</b>	<b>Cost per month remaining</b>
italk 2 (Standard, Gold, Platinum or Connect)	£3.00
italk 3 (Standard, Gold, Platinum or Connect)	£5.50
italk now and then	£3.00
italk all the time	£5.50

Plus the cost of your internet service:

<b>Broadband element</b>	<b>Cost per month remaining</b>
Connect/Unlimited	£14.00
Unlimited Fibre	£18.00
Unlimited Superfast Fibre	£22.00
<i>I don't have broadband in my package</i>	<i>No charge</i>

With all our Broadband packages a wireless router is provided free of charge, so long as you remain in contract. If you return this equipment within 30 days of your cancellation date then there is no charge, however if you do not return the equipment in a timely manner you will accrue a charge of £65.00, and ownership of the equipment transfers to you. We will not accept returns of equipment after the 30 day period. For full information please read the Equipment Fees section below.

## Equipment Fees

At the beginning of your contract with italk you will receive equipment from italk. This equipment is to assist you in connecting to the internet. This equipment is, unless otherwise agreed, property of italk. It is essential that any returned equipment is in good condition; complete including all relevant cables and returned undamaged in original packaging, and that this is done so in a timely manner. For best practice it is recommended that you keep and maintain the original box and packaging in good condition and ensure that you follow the manufacturer's instructions for maintenance and use of any equipment.

If you cancel your contract at any time you must return the equipment to italk within 30 calendar days. Failure to return the equipment within this timeframe, or a return of faulty, damaged or partial equipment will incur a non-refundable charge. Please see the table below to identify which charge applies.

Router Model	Charge
Manufacturer: <b>ZyXEL</b>	£65.00
Colour of router: <b>Black</b>	

If you need additional assistance in identifying your router, contact our Customer Care team.
